Fiscal Analysis

ASSUMPTIONS:

1. Currently there are 1,329 vehicles registered under the disabled veteran provisions of 61-3-332, MCA. Information regarding the number of Montana residents who are the unmarried, surviving spouse of a 100 percent disabled veteran and who would purchase or retain the veterans' license plates is unavailable.
2. There is no administrative impact to the Department of Justice for implementation of this bill.
3. Any revenue impact would be determined by the number of Montana residents qualifying and choosing to register their vehicles as provided in this bill. A surviving spouse of a 100 percent disabled veteran would pay a fee of \$5 in lieu of all other fees and taxes for that vehicle.
